**DAYS**  
**5 - 8**

Game Drive to **Mapazi Bush Camp** is entirely through the Park. The small riverside camp promises incredible walking safaris in a remote sector of South Luangwa, far from the game-viewing road network.

**Surefoot Safaris** operate exclusively from their tented bush camp, "Mapazi". Nestled under mature trees on the banks of the Luangwa River, Mapazi provides an authentic camping experience with a few essential comforts.

Walking with Deb one can explore Luangwa's unspoilt wilderness; tracking big game, watching magical birdlife and uncovering some of nature's best kept secrets.

The **accommodation at Mapazi** comprises of 3 walk-in (Meru style) tents each with views of the river. Tents open at both ends allowing a through breeze. Large gauze panels afford an all-round view and each has a shaded porch with seating area. A good night's sleep is assured in our large beds with sprung mattresses and comfy pillows.

Brunch or early lunch is served beneath the shade of a Sausage Tree. Guests dine in the Chitenje, by the camp fire or on the moon lit banks of the Luangwa

Morning coffee and light breakfast is enjoyed on the banks of the Luangwa River as the sun rises.

Each tent has a private bathroom with flushing toilet, shower and basin (hot & cold running water). These are situated next to the tents and have their own river view.

**WALKING SAFARI** - Each afternoon and morning guests will be able to enjoy the unique experience of walking in the bush.

Morning walks will kick off early to maximise the cooler temperatures when wildlife is most active. A tactical tea stop en-route allows for rest and a good chat. Afternoon walks will cover less ground enjoying the beautiful light before sunset. Exploring the bush on foot promises a unique blend of excitement and serenity. Guests are intimately involved in the interpretation of signs and sounds; slowly developing their own tracking skills and an appreciation of how to best negotiate a path through Africa's iconic big game.

At the end of the trip guests will be transferred to Mfuwe Airport for their private charter departure (no earlier than 11am). Depending on timings, there may be an opportunity for a walk, followed by a safari game drive on route to the airport possibly via lunch at Flatdogs.
