

The magic of the South Luangwa and the unspoilt Luambe National Park in one very special deal!

LUANGWA EXPLORER SAFARI - 2026

Day 1 You will be met at Mfuwe airport by one of our safari guides and transferred by road to camp (+/- 30 minutes)

Day 1-5 **FLATDOGS CAMP— 4 nights**

The luxury ensuite safari tents offer you a back to nature taste of the wild, with large windows all around the tent so you can see and hear the animals feeding in camp as well as the hippopotamus honking to each other in the

river in front of you! The tents are spacious with king or twin beds, large mosquito net, electric lights and plug sockets for re-

charging batteries (UK style plug sockets). There is also a room safe and tea and coffee-making facilities. The luxury tents have semi open ensuite bathrooms with hot shower, WC and basin.

If you are arriving on the lunchtime flight, there is time to settle into camp and have some lunch before your first afternoon safari. In the afternoons, we serve some tea and coffee at 15h15, so you can meet your guide and discuss your interests with him before you

head into the park at around 15h45, ready to explore this magnificent wilderness. Our guides take huge pride in their work, being able to identify

numerous alarm calls and to track animals and try to anticipate their next move so as to position you for the best sightings.

As the sun starts to dip towards the horizon, your guide will aim to find a

good spot to stop so you can stretch your legs and watch the sun set with a cold drink in hand. Then, once it's nearly dark, you will carry on game-viewing with a spotlight, searching for some of our interesting nocturnal residents, like the leopard, lion, porcupine, civet, genet, owls and hyaena. You will return

to camp just after 19h30, in time for dinner and to relive your sightings with us!

In the mornings, it's an early start so you can make the most of the light and when the animals are at their most active. We offer you an early breakfast of toast and cereal, tea and coffee at 05h30 before you head out at 06h00 on a morning safari, exploring the park, taking the sightings as they come, with your guide detailing all you are seeing, adding interesting observations drawn from his years of experience in the Park.

You will head back to camp at around 10h00, in time for breakfast or a brunch/lunch type meal – whichever you prefer. Then there is time to relax during the heat of the day, enjoying a dip in the pool perhaps or a siesta after your early start. The Luangwa is well known for its walking safaris, an

unforgettable way to experience the Park, so if you would like to walk instead of drive, please let us know so we can organize this for you.

If you are interested in village life in rural Zambia, we can also happily organize a visit to the nearby Mfuwe village, including our anti-poaching base and some of the schools and other local community projects we are

supporting in this area. There are also some excellent local artisanal projects in the area, creating metal art, hand painted textiles, jewellery and crafts from local materials. The safari package at Flatdogs includes your accommodation in a luxury ensuite safari tent, all meals, two game-viewing activities per day, National Park Entry fees*, LCCF (Luangwa Conservation & Community Fund fee), laundry and airport transfers. Not included are drinks apart from tea and coffee or items of a personal nature, e.g. shop purchases.

Day 5 You will be collected from camp in the morning for your road transfer to Luambe National Park. This drive is an interesting journey through rural villages, the Nsefu Sector of the National Park and then out of the South Luangwa and north along the banks of the Luangwa to Luambe National Park. The drive will take around 3 hours depending on what you see en-route.

Day 5-9 LUAMBE HORIZONS CAMP (new for 2026!) – 4 nights

Luambe National Park is a gem just waiting to be discovered. The Park is one of Africa's best kept secrets and the last but had been left unprotected for many years, it just needed the right person, someone who understood its vast potential. Since Mr Riffel first invested in the Park, his team have worked with DNPW to help look after its protection and management and the results can now be seen in the year on year increase in animal

numbers. Luambe Horizons Camp aims to offer you a safari with a purpose –

the continued conservation of this beautiful habitat.

The new camp design is totally original, they have built chalets with canvas, gauze and retractable roofs, so it is the first camp in Zambia that gives you the chance to have a “sleep out” experience from your room every night. The new camp site has been built in the most game

rich area of the park with lion, leopard and wild dog commonly seen here. The front 'wall' and ceilings of the rooms have been made with gauze allowing open views to the wildlife and skies. The retractable roofs allow you to choose when you want to see the skies and stars or when you want the

cover. The en-suite bathrooms come complete with freestanding baths which add to the wild and romantic experience. The ceiling and front walls are completely transparent with curtains for privacy and safety if desired. The roofs are fully retractable and its completely the guests' choice as to

when you want them open or covered. Normally, the roofs are pulled back at night for open views to the night skies and then pulled over the chalet for cover and shade during the day.

From camp, the daily routine is similar to that at Flatdogs, with morning and afternoon activities organized for you, to take in as much of this beautiful wilderness as possible as well as being a part of their ongoing conservation activities. Luambe is so isolated that you have a real feeling of discovery as you explore the Park - you could be the first to find a new waterhole or an owl's nest or sign of roan and eland - the Park has been so untouched over the years. The signature Luambe sleep out will still be available for open sky wilderness junkies, for you to enjoy an even wilder bush experience. You would usually walk out to the perfect spot on the river bank where you will enjoy sundowners and dinner cooked over the fire, before retiring for a night to a bed under the stars with a

mosquito net as all there is between you and the skies above, in the middle of the African bush. A scout stays on guard so you can enjoy the sounds of the night and the beautiful peace. This special package includes your accommodation, meals, house wine, and local drinks, safari activities, sleep out experience if you choose one and return road transfers from and back to Mfuwe.

Day 9 You will be transferred by road back to Mfuwe airport to connect with your outbound flight (+/- 3.5 hours).
