[Flight from Lusaka to Mfuwe Proflight Zambia  
0715/0825 or 1040/1150 or 1630/1740 depending on the day of the Week]

You will be met at Mfuwe airport by one of our safari guides and transferred by road to camp (+/- 30 minutes)

Day 1-5 **FLATDOGS CAMP– 4 nights**

The luxury ensuite safari tents offer you a back to nature taste of the wild, with large windows all around the tent so you can see and hear the animals feeding in camp as well as the hippopotamus honking to each other in the river in front of you! The tents are spacious with king or

twin beds, large mosquito net, electric lights and plug sockets for re-charging batteries (UK style plug sockets). There is also a room safe and tea and coffee-making facilities. The luxury tents have semi open ensuite bathrooms with hot shower, WC and basin.

If you are arriving early or on the lunchtime flight, there is time to settle

into camp and have some lunch before your first afternoon safari. In the afternoons, we serve some tea and coffee at 15h30, so you can meet your guide and discuss your interests with him before you head into the park at around 16h00, ready to explore this magnificent wilderness. Our guides take huge pride in their work, being able to identify numerous alarm calls and to track animals and try to anticipate their next move so as to position you for the best sightings.

As the sun starts to dip towards the horizon, your guide will aim to

find a good spot to stop so you can stretch your legs and watch the sun set with a cold drink in hand. Then, once it's nearly dark, you will carry on game-viewing with a spotlight, searching for some of our interesting nocturnal residents, like the leopard, lion,

porcupine, civet, genet, owls and hyaena. You will return to camp just after 20h00 when the Park closes, in time for dinner and to relive your sightings with us!

In the mornings, it's an early start so you can make the most of the light and when the animals are at their most active. We offer you an early breakfast of toast and cereal, tea and coffee at 05h30 before you head out at 06h00 on a morning safari, exploring the park, taking the sightings as they come, with

your guide detailing all you are seeing and adding interesting observations drawn from his years of experience in the Park. You will head back to camp at around 10h00, in time for breakfast or a brunch/lunch type meal – whichever you prefer. Then there is time to relax during the heat of the day, enjoying a dip in the pool perhaps or a siesta after your early start. The Luangwa is well known for its walking safaris, an unforgettable way to experience the Park, so if you would like to walk instead of drive, please let us know so we can organize this for you.

If you are interested in village life in rural Zambia, we can also happily organize a visit to the nearby Mfuwe village, including our anti-poaching base and some of the schools and other local community projects we are supporting in this area.

The safari package includes your accommodation in a luxury ensuite safari tent, all meals, two game-viewing activities per day, National Park Entry fees\*, LCCF (Luangwa Conservation & Community Fund fee), laundry and return airport and other transfers. Not included are drinks apart from tea and coffee or items of a personal nature, e.g. shop purchases.

#### Day 5

You will be collected from camp in the morning at around 0830 for your road transfer to Luambe National Park. This drive is an interesting journey through rural villages, the Nsefu Sector of the National Park and then out of the South Luangwa and north along the banks of the Luangwa to Luambe National Park. The drive will take around 4 hours depending on what you see enroute!

Day 5-9 **LUAMBE CAMP – 4 nights**

Luambe National Park is a gem just waiting to be discovered. The Park is one of Africa's best kept secrets and was just waiting for someone to arrive who understood its vast potential. The Luambe Camp team were just the right people to take over the Park's management and

protection and they have created a wildlife refuge and extraordinary bushcamp. There are only 4 safari tents at the camp, so a maximum of 8 guests to enjoy the Park to themselves. The camp has been designed to take in the stunning sweep of the Luangwa in front, with its enormous pod of hippo gathered together in incredible numbers, adding to your sense of discovery as you arrive.

The tents use solar lighting and water heating and have ensuite facilities.

From camp, the daily routine is similar to that at Flatdogs, with morning and afternoon activities organized for you, to take in as much of this beautiful wilderness as possible. Activities are mostly game drives, but with the opportunity to do some walking as well. Luambe is so isolated that you have a real feeling of discovery as you explore the Park - you could be the first to find a new waterhole or an owl's nest or sign of

roan and eland, the Park has been so untouched over the years. The safari package includes your accommodation, meals, wine, local and house drinks, safari activities and transfers from and back to Mfuwe.

Day 9

You will be transferred by road back to Mfuwe airport to connect with your outbound flight.
